

April 24-25, 2024 - Halls 1, 2 & 3, Bombay Exhibition Centre, Mumbai

**ChemProTech®**
INDIA EXPO PVT. LTD.

India is emerging as one of the most important global locations for the chemical industry, with continuous growth in the demand of chemicals.

India's large coastline, land area and the largest rail network provide an immense opportunity to Logistics, Transport and Warehousing companies.

As a result there is no better time to strengthen your position with this dynamic market. **ChemLogistics India** is your company's opportunity to make new business connections, reinforce old ones, showcase your innovations & products, demonstrate technical capabilities and learn what your peers are doing.

ChemLogistics India 2024 & co-located shows follows the overwhelming response to the 2023 Edition which saw over 335 Exhibitors and over 22000 attendees.

Co-located events will showcase Bulk, Fine and Speciality Chemical Industries and Process Technology, Equipment and Supplies.
